

COVID Policy

Date : August 2021

Educazoo activities have always followed a strict hygiene protocol to ensure the safety of participants and the one of our animals.

Sanitary measures

1) Mask :

- * Private gathering : Mandatory during the handling period (except kids)
 - * School, Daycare or other Institution : following the policy of your installation.
- Our animator will wear a mask and/or visor according to your establishment's policy.

2) Number of participants :

In order for the activity to take legally, please ensure that you respect the maximum number of people authorized in you area according to government recommendations.

3) Handling period :

Our animator will provide supervised handling of the animals and ensure hand disinfection between each handling for all participants. We continue to ask to wash hands with soap and water before and after the activity.

* disinfectant supplied by **Éducazoo**.

4) Equipment :

All disinfection will be done with a disinfectant which is recommended in daycares, food or animal industries in addition to being used in hospitals.

This protocol was put in place by our team of biologists at the sanctuary.

If you have any questions, our team stays available at any time.
