

DAYCAMP AND CAMPING PROGRAM

ACTIVITY CONTENT HAS BEEN DEVELOPED BY THE BIOLOGISTS AT EDUCAZOO INC.

Activities are available in French and in English

Choose between our 12 themes!
Mention your preferences when booking.

Learning while having fun !

Our educational activities are adapted to the age of the group.

Number of participating people

We meet people in group of 20 to 25 maximum,
so that all have time to meet the animals.

*The bigger the group, the longer the waiting time will be to handle the animals.

Can we meet many groups on the same day ?

Absolutely ! We can animate simultaneously in different classes.

Can we do more than one activity per group per day ?

Certainly ! The Animal Day package combines more than one activity.

Pricing

The prices depend on the transport, time spend at your installation,
number of naturalists, etc.

ASK FOR A TENDER!

INTRODUCTION TO THE ANIMAL WORLD

What if we discovered the animal kingdom ? A great activity to discover several species : reptiles, mammals and other classes.

PSST...

This presentation ends with a mini ferret show!

Animals :

**1 to 2 lizard(s), 1 snake, 1 to 2 other specie(s) (bird, frog, turtle, etc.),
2 mammals and 1 ferret**

Duration : 1h00 - 6 species / 1h30 - 7 species

EVOLUTION

Students will follow the process from fish to bird. We will take them step by step on the history of evolution's journey. They may be surprised by the true order of events !

Animals :

Bird, turtle, amphibian, lizard, snake, arthropod and mammal

Duration : 1h00 - 6 species / 1h30 - 7 species

Additional educational tools for this activity :

Illustrated posters

MAMMALS

Short haired, long haired or thorned ? Regardless, we love them all !
Through the visit, meet cute representatives of the mammal class.

Animals :

Rodents, rabbit, hedgehog, ferret, Brazilian possum

Duration : 1h00 - 6 species / 1h30 - 7 species

REPTILES

Scales and shells, do you find that strange ? Through the visit, discover fascinating representatives of the reptile class. And who knows, maybe you'll catch yourself flicking out your tongue too...

Animals :

2 turtles, 2 to 3 lizards, 2 snakes

Duration : 1h00 - 6 species / 1h30 - 7 species

THE 5 SENSES

Students will discover the senses with the help of the animals ! During this activity, each presented species will be used to demonstrate one of the five senses (touch, smell, sight, taste and hearing). This presentation will allow students to recognize and distinguish them by observing these senses in different species.

Animals :

Bird, arthropod, small rodent, chinchilla or rabbit, snake, ferret

Duration : 1h00 - 6 species / 1h30 - 7 species

DISGUISED ANIMALS

Students will have the chance to meet several animals who have disguises that allow them to go unnoticed or to pass a message. In this activity, students will discover the camouflage champions !

Animaux :

Stick insect, water dragon, frog, sand boa, hamster, gecko, rabbit and ferret

Duration : 1h00 - 6 species / 1h30 - 7 species

NUTRITION

The children will meet a variety of species with various eating habits. They will also have the opportunity to see some animals enjoying their favorite treats!

Animals :

Bearded dragon, domestic rat, stick insect, hermit crab, corn snake, hedgehog and ferret

Duration : 1h00 - 6 species / 1h30 - 7 species

YUMMY!

ENVIRONMENT

Do you want to educate your students to adopt responsible behavior towards our environment? In this activity, we illustrate how human activities impact animal species at different levels. We discuss pollution, deforestation, climate change, etc. A theme to build a better world !

Animals :

Bird, amphibian, arboreal lizard, snake, tegu, chinchilla or hedgehog, ferret and turtle or giant snail

Duration : 1h00 - 6 species / 1h30 - 7 species

A TRIP AROUND THE WORLD!

Students will meet a variety of species from all around the world. The discussion will be about how each species get adapted to its climate. A fascinating topic which can increase the awareness of students about climate change.

Animals :

Turtledove, chinchilla, uromastyx, corn snake, crested gecko, ferret and red-eyed tree frog

Duration : 1h00 - 6 species / 1h30 - 7 species

LOCOMOTION

Jump, crawl, stick, we don't judge you ! What if walking was the least efficient way to get around ? In this activity, meet animals that have developed innovative ways of locomotion.

Animaux :

Turtledove, gecko, hedgehog, rodent, snake, turtle or tortoise, ferret, snail and frog

Durée : 1h00 - 6 species / 1h30 - 7 species

FORT BOYARD

Everyone will be invited to overcome their fears with a little more frightening species! A list of challenges awaits them and everyone will have the chance to make great encounters ... This activity allows students to work as a team and encourage each other! It also allows young people to overcome their fear and experience beautiful moments that they will remember all their lives!

Animals :

Reptiles, amphibians, arthropods, etc.

Duration :

Minimum 1h00 : challenges + handling 4 species presented.

1h30 : challenges + handling 5 species presented.

2h00 : challenges + handling 6 species presented.

LUDIC GAMES PROGRAM

Complete your activity with one of our exciting games! To discover them all;

[Click here!](#)

Duration :
30 minutes

ADDITION: CITES ITEMS

Educazoo has a working relationship with Environment Canada so as to sensitize youth and to help them develop responsible behaviour towards the animal kingdom. CITES seizes illegal items at customs and sends them to us to be used in our educational and awareness activities. You can ask that these items be included in your presentations.

* Ask to join CITES item to your animation when booking.

*Plan 15 extra minutes of presentation time to show CITES Items if not included in the chosen activity.
