

DAYCARE PROGRAM

Activities are available in French and in English.

**Choose between our 8 themes!
Mention your preference when booking.**

Number of children per group

Ideal group size is 8, to a maximum of 20 so that all children have an opportunity to meet our animals.

*** The larger the group, the longer each child will have to wait for a turn.**

Duration per type of group

Babies : 20 to 30 minutes (± 3 species)

18 months - 2 years old : 30 to 45 minutes (± 3 to 5 species)

3 to 5 years old : 45 minutes to 1 hour (± 5 to 6 species)

Can we meet many groups in one day?

Absolutely ! We can animate simultaneously in different places.

Pricing

The prices depend on the transport, time spent at your installation, number of naturalists, etc.

Animals :

Turtledove, gecko, hedgehog, rodent, snake, turtle or tortoise, ferret, snail and frog

INTRODUCTION TO THE ANIMAL WORLD

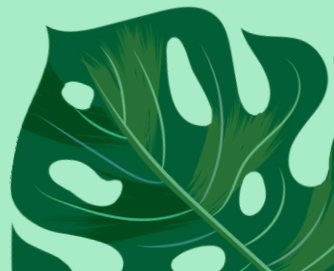

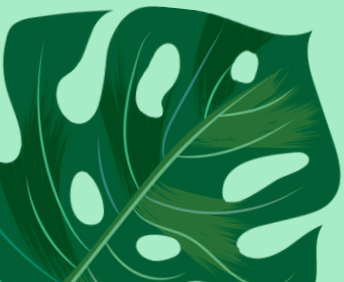

The children will meet a variety of species from a few classes of animals (reptiles, mammals and others). A great way to have the children discover many uncommon species.

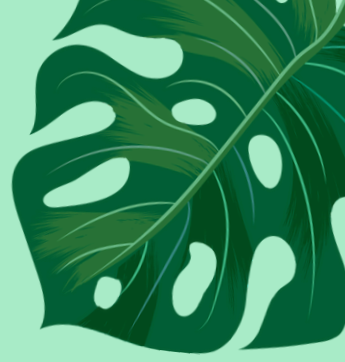

PSST...

The animation ends with a ferret mini-show !

Animals :

1 to 2 lizard(s), snake, 1 to 2 other specie(s) (frog, bird, insect, giant snail, turtle, etc.), 1 to 2 mammals and 1 ferret

REPTILES

Scales and shells, do you find that strange ? Through the visit, discover fascinating representatives of the reptile class. And who knows, maybe you'll catch yourself flicking out your tongue too...

Animals :

Turtles, lizards and snakes

MAMMALS

Short haired, long haired or thorned ? Regardless, we love them all ! Through the visit, meet cute representatives of the mammal class.

Animals :

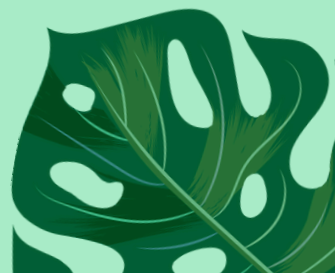

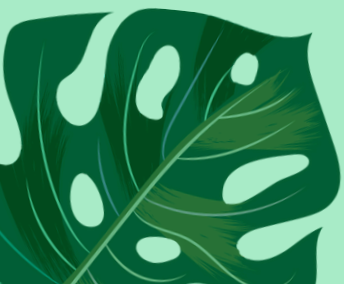

Rodents, lagomorphs (rabbits), carnivores and insectivores

WINTER

Discover how animals survive the winter! This activity will talk about physical and physiological adaptations that animals developed to inhabit cold climates. Hibernation, winter rest, short extremities, migration and other subjects will be discussed.

Animals :

Snail, amphibian, stick insect, aquatic turtle, blue-tongued skink, snake, russian hamster, rats, chinchilla, rabbit and ferret

CALL US FOR ALL OCCASIONS!
