

PRESCHOOL PROGRAM

ACTIVITY CONTENT HAS BEEN DEVELOPED BY EDUCAZOO INC. BIOLOGISTS.

Activities are available in french and in english

Choose between our 7 themes!
Mention your preferences when booking.

Learning Progression Guide

Find the objectives, by cycle, that meet the guide from the Ministry of Education for each of our themes.

Our activities are accredited and financed

Culture à l'école program - scientific component

Number of students per group

Ideal group size is 8, to a maximum of 20 so that all student have an opportunity to meet the animals.

* The larger the group, the longer each student will have to wait for a turn to meet animals.

Can we meet more than one group per day ?

Absolutely ! We can animate simultaneously in different classes.

Prices

Our prices vary according to the transport, the time that we spend at your installation, the number of animators, etc. Contact us to obtain a personalized scenario and a tender !
