

DAYCARE PROGRAM

Activities are available in french and in english.

Choose between our 7 themes!
Mention your preference when booking.

Number of children per group

Ideal group size is 8, to a maximum of 20 so that all children have an opportunity to meet the animals.

* The larger the group, the longer each child will have to wait for a turn to meet animals.

Duration per type of group

Babies : 20 to 30 minutes (± 3 species)
18 months - 2 years old : 30 to 45 minutes (± 4 to 5 species)
3 to 5 years old : 45 minutes to 1 hour (± 6 species)

Can we meet many groups in one day ?

Absolutely ! We can animate simultaneously in different classes.

Prices

The prices depend on the transport, time spent at your installation, number of naturalists, etc. Call us to get a personalized scenario and tender.
