

DAYCAMP PROGRAM

Activities are available in french and in english

Choose between our 12 themes!

Mention your preference when booking.

Learning with fun !

Educational activities adapted to the age of the group.

Number of participating people

We meet people in group of 20 to 25 maximum, so that all have time to meet the animals.

Can we meet many groups on the same day ?

Absolutely ! We can animate simultaneously in different classes.

Can we do more than one activity per group per day ?

Certainly ! The Animal Day theme combines more than one activity.

Prices

The prices depend on the transport, time spend at your installation, number of naturalists, etc.

Contact us to get a personnalized scenario and tender.

INTRO TO THE ANIMAL WORLD

What if we discovered the animal kingdom ? A great activity to discover several species : reptiles, mammals and other classes.

Animals

1 to 2 lizard(s), 1 snake, 1 to 2 other specie(s) (bird, frog, turtle, etc.),
2 mammals and 1 ferret

Duration

1h00 - 6 species / 1h30 - 7 species

REPTILES ACTIVITY

Scales and shells, do you find that strange ? Through the visit, discover fascinating representatives of the reptile class. And who knows, maybe you'll catch yourself flicking out your tongue too...

Animals

1 to 2 turtle(s), 2 to 3 lizard(s), 2 snakes
* Reptiles CITES items will be shown

Duration

1h00 - 6 species / 1h30 - 7 species

MAMMALS ACTIVITY

Short haired, long haired or thorned ? Regardless, we love them all ! Through the visit, meet cute representatives of the mammal class.

PSSST...

The animation ends with a ferret mini-show !

Animals

Rodent, rabbit, hedgehog, ferret, brazilian possum, etc.

* Mammals CITES items will be shown.

Duration

1h00 - 6 species / 1h30 - 7 species

BIRDS, AMPHIBIANS AND OTHER ANIMALS ACTIVITY

Whether it's feathers, slime or an exoskeleton, everything has its function !
Discover what purpose these beautiful colors or multiple legs have.

Animals

2 birds, 2 amphibians, 2 arthropods, 1 mollusc

Duration

1h00 - 6 species / 1h30 - 7 species

EVOLUTION ACTIVITY

Follow the process from fish to bird. We will take everyone step by step on a journey through the history of evolution. You may be surprised by the true order of events !

Animals (Between those choices)

Bird, turtle, amphibian, lizard, snake, arthropod, mammal

Duration

1h00 - 6 species / 1h30 - 7 species

THE FIVE SENSES ACTIVITY

Through the visit, discover the senses with our animals. During this activity, each presented species will be used to demonstrate one of the five senses (touch, smell, sight, taste and hearing).

Animals

Bird, arthropod, small rodent, chinchilla or rabbit, snake, ferret

Duration

1h00 - 6 species / 1h30 - 7 species

A TRIP AROUND THE WORLD ACTIVITY

Did you know that the anatomy of an animal says a lot ? Travel all the continents to discover how animals adapt to their climate.

Animals (Between those choices)

Turtledove, chinchilla, uromastyx, corn snake, crested gecko, ferret and red-eyed tree frog

Duration

1h00 - 6 species/ 1h30 - 7 species

ALIMENTATION ACTIVITY

Vegetarian or carnivore ? Animals also have their diet ! Find out how vast the diet in the animal kingdom is ! Observe even several species tasting their favorite treats.

Animals

Bearded dragon, domestic rat, stick insect, hermit crab, corn snake, hedgehog and ferret

Duration

1h00 - 6 species / 1h30 - 7 species

LOCOMOTION ACTIVITY

Jump, crawl, stick, we don't judge you !
What if walking was the least efficient way to get around ? In this activity, meet animals that have developed innovative ways of locomotion.

Animals

Turtledove, gecko, hedgehog, rodent, snake, turtle, ferret, snail, frog

Duration

1h00 - 6 species / 1h30 - 7 species

DISGUISED ANIMALS ACTIVITY

Do you see me ? No ?... Well, it's successful ! To survive, some animals decide to go unnoticed and it works. In this activity, discover the camouflage champions.

Animals

Stick insect, water dragon, frog, sand boa, hamster, gecko, rabbit and ferret

Duration

1h00 - 6 species/ 1h30 - 7 species

ENVIRONMENT ACTIVITY

In 2023, we must talk about ENVIRONMENT ! Plastic in the oceans, fewer trees in our forests, see the repercussions of human actions on the other inhabitants of this planet. Let our naturalists plant the seed of ecological awareness in the spirit of the next generation.

Animals

Bird, amphibian, arboreal lizard, snake, chinchilla or rabbit, ferret and turtle

* CITES items will be shown.

Duration

1h00 - 6 species / 1h30 - 7 species

FORT BOYARD ACTIVITY

Everyone will overcome their fears with frightening animals ! A list of challenges await them and everyone will have the chance to discover new species. This activity allow everyone to experience beautiful moments that they will remember all their life !

Animals

Reptiles, amphibians, arthropods, etc.

Duration

1h30 minimum : challenges + handling 5 presented species

2h00 : challenges + handling 6 presented species

GAME 1 SNAKES AND LADDERS

Everyone will be invited to play a giant snakes and ladders game with questions. Different categories according to the age of the group.

Duration
30 to 45 minutes

ADDITION CITES ITEMS

Educazoo is associated with Environment Canada to raise awareness to develop ethical and responsible behaviours towards the animal kingdom. The CITES items seized at customs are sent to us to do educational and awareness activities.

*** You can ask to include those items in your presentation.**
